Well-child visits

Health care for infants, children and youth up to age 21

Even if children aren't sick, they need to see the doctor regularly. Well-child visits can help children stay healthy. Children should have well-child visits at the ages listed below:

- Newborn (usually occurs in the hospital after delivery)
- 1 month and 2 months
- 4 months and 6 months
- 9 months and 12 months
- 15 months and 18 months
- 24 months and 30 months
- Every year from ages 3 to 20

Well-child visits may include tests. Tests can find problems early when they're easier to treat. Your child's doctor wants to give these tests at the right time.

If your child has missed some well-child visits, talk to your child's doctor. Remember, these services are available at no cost to you!

They include:

- A complete physical exam
- A review of physical and mental health development
- Lead screening and testing
- Developmental delay and autism testing
- Vision exams
- Oral exams
- Hearing exams
- Immunizations (shots), if needed
- Laboratory tests, if needed
- Fluoride application to your child's teeth, if needed

Schedule your child's well-child checkup today.

If you haven't already, call your child's doctor or health care professional to make an appointment for a well-child checkup. If you don't have a primary care doctor for your child, call us at **866-827-2710** to find a network provider. We can also help you find transportation or give you more information about your child's medical benefits.

Affirmative statement about incentives

Aetna Better Health of Maryland makes Utilization Management (UM) decisions based only on appropriateness of care and service and existence of coverage. We do not reward practitioners, employees, or other individuals for issuing denials of coverage. Any financial incentives Aetna Better Health of Maryland may provide to UM decision makers do not encourage them to make decisions that result in underutilization of services. We also do not use employee incentives or disincentives to encourage barriers to care and service.

If you have any questions about this statement, please call our toll-free telephone number: **1-866-827-2710**, TTY 711.

As a member, you have both rights and responsibilities. Read them online at aetnabetterhealth.com/maryland.

How to file a complaint, grievance or appeal

If you disagree with a provider or Aetna Better Health of Maryland about an adverse benefit determination, this is called a complaint. If your complaint is about a service you or your provider feels you need, but we will not cover, you can ask us to review your request again. This is called an appeal. You must file an appeal within 60 days from the date that you receive the letter saying we will not cover the service you wanted. Your doctor can also file an appeal for you if you sign a form giving him/her permission.

A complaint about something not related to a service is called a grievance. Examples of grievances include quality of care issues, not being treated fairly by someone who works here or at your doctor's office or trouble getting an appointment. A grievance can be filed at any time.

To file a grievance or appeal you can call us at **1-866-827-2710**. Our customer service representatives will assist you with filing a complaint, grievance, or appeal. You will need to confirm the appeal request in writing, unless it is an expedited request. We will send you a simple form that you can sign and mail back. We will assist you in completing the form as needed. For more information about appeals and grievances see pages 42-45 of your Member Handbook.

Nondiscrimination Statement

It is the policy of Aetna Better Health of Maryland not to discriminate on the basis of race, color, national origin, sex, age or disability. Aetna Better Health of Maryland has adopted an internal grievance procedure providing for prompt and equitable resolution of complaints alleging any action prohibited by Section 1557 of the Affordable Care Act (42 U.S.C. 18116) and its implementing regulations at 45 CFR part 92, issued by the U.S. Department of Health and Human Services. Section 1557 prohibits discrimination on the basis of race, color, national origin, sex, age or disability in certain health programs and activities. Section 1557 and its implementing regulations may be examined in the office of Civil Rights Coordinator, 4500 East Cotton Center Boulevard, Phoenix, AZ 85040; Phone **1-888-234-7358 (TTY 711)**; Email MedicaidCRCoordinator@aetna.com; who has been designated to coordinate the efforts of Aetna Better Health to comply with Section 1557.

Any person who believes someone has been subjected to discrimination on the basis of race, color, national origin, sex, age or disability may file a grievance under this procedure. It is against the law for Aetna Better Health of Maryland to retaliate against anyone who opposes discrimination, files a grievance, or participates in the investigation of a grievance.

Procedure:

- Grievances must be submitted to the Section 1557 Coordinator within (60 days) of the date the person filing the grievance becomes aware of the alleged discriminatory action.
- A complaint must be in writing, containing the name and address of the person filing it. The complaint must state the problem or action alleged to be discriminatory and the remedy or relief sought.
- The Section 1557 Coordinator (or her/his designee) shall conduct an investigation of the complaint. This investigation may be informal, but it will be thorough, affording all interested persons an opportunity to submit evidence relevant to the complaint. The Section 1557 Coordinator will maintain the files and records of Aetna Better Health of Maryland relating to such grievances. To the extent possible, and in accordance with applicable law, the Section 1557 Coordinator will take appropriate steps to preserve the confidentiality of files and records relating to grievances and will share them only with those who have a need to know.
- The Section 1557 Coordinator will issue a written decision on the grievance, based on a preponderance of the evidence, no later than 30 days after its filing, including a notice to the complainant of their right to pursue further administrative or legal remedies.

The availability and use of this grievance procedure does not prevent a person from pursuing other legal or administrative remedies, including filing a complaint of discrimination on the basis of race, color, national origin, sex, age or disability in court or with the U.S. Department of Health and Human Services, Office for Civil Rights. A person can file a complaint of discrimination electronically through the Office for Civil Rights Complaint Portal, which is available at: <https://ocrportal.hhs.gov/ocr/portal/lobby.jsf> or by mail or phone at: U.S. Department of Health and Human Services, 200 Independence Avenue SW., Room 509F, HHH Building, Washington, DC 20201. 1-800-368-1019, 1-800-537-7697 (TDD).

Aetna Better Health of Maryland will make appropriate arrangements to ensure that individuals with disabilities and individuals with limited English proficiency are provided auxiliary aids and services or language assistance services, respectively, if needed to participate in this grievance process. Such arrangements may include, but are not limited to, providing qualified interpreters, providing taped cassettes of material for individuals with low vision, or assuring a barrier-free location for the proceedings. The Section 1557 Coordinator will be responsible for such arrangements.
