

EVV Vendor Demonstration Webinars and Roadshows

Information posted January 17, 2020

Texas Medicaid & Healthcare Partnership (TMHP) has selected two Electronic Visit Verification (EVV) vendors on behalf of the Health and Human Services Commission (HHSC): DataLogic Software Inc., and First Data Government Solutions.

EVV vendor webinars and roadshows have been scheduled to demonstrate the EVV vendor systems, and will include question and answer (Q&A) sessions.

The EVV vendor demonstration will include:

- Overall system functionality
- Clock in and clock out methods
- Performing visit maintenance
- Reporting capabilities

These sessions are to learn about the EVV vendor systems; these sessions are not meant for overall EVV program or policy training. Information and questions related to EVV program and policy is available on the [HHSC EVV website](#).

Note: Capacity is limited for these sessions. Registration is on a first come, first serve basis by all attendees. Walk-ins may not be accommodated if capacity is exceeded. Each individual must register separately for each session.

Webinar Registration

To register for one of the following webinar sessions, click on the session link below for the EVV vendor and date you prefer:

DataLogic EVV Vendor Demonstration Webinar

Session	Date	Time
EVV Vendor Webinar: DataLogic – Session 1	Tuesday, January 28, 2020	9 a.m. to 11 a.m.
